

I have been looking for you to send me
a yemas present of some kind.

I would have sent you one but by not
hearing from you from the 10th to 30th I did
not know whether you had left Stephens or not
and that is why I did not send you a present
but I will send or bring you a present some
time before long if yemas has passed.

I would like to see you very much. but
the doctor told me not to get out in the cold
weather before about the 10th I would come to
see you tomorrow if I could only get off from
the doctor. But I hope we will meet before
a great while.

when have you seen Longa. Last He
has moved to Milner he is not far from your
little town.

Well Sweet Heart I have told all the news I
can think of now. So I will close
Hoping to hear from you soon.

Yours Very Respect
